Legacy of the Duelist Multiplayer Match Setup Guide

Multiplayer Match Setup Guide

***IMPORTANT**

- 1. Ensure you are using the same video game system, as there is no cross-platform play capability, i.e. PS4 vs PS4, Switch vs. Switch, etc.
- 2. Ensure you are using the same video game Yu-Gi-Oh! Legacy of the Duelist and Yu-Gi-Oh! Legacy of the Duelist: Link Evolution are NOT cross-compatible.
- 3. A stable internet connection is required for **PS4/XBOX ONE/STEAM/SWITCH**.
- 4. Nintendo Switch Online subscription required for Online Play
